Dear Readers

I read recently that the dust from an asteroid may protect the earth from global warming. Be that as it may, it is lovely to still be getting warm sunny days as we go into autumn and hope this may continue onto the end of October, with an “Indian Summer” to help shorten the winter! I wrote earlier about the English and their “weather” fixation, but somehow the great variation in climatic periods can’t help but make it something to talk about.

A seasonable programme of events is detailed within this issue and we look forward to the usual good support for these.

There will be the annual harvest envelope collection for the African Pastors Fellowship and non-perishable donations to the Food Bank.

Items for the November Barton Miller to me by 20th October please.

Yours sincerely Joy Willis

Vicar's Letter

Dear friends

This month sees a huge adventure for me as I embark on a trip to Ethiopia with Christian Aid to see in person the effects of the worldwide climate crisis, what local people are doing about it and some projects to help people find solutions. This opportunity has arisen through my 'other' job as the Bishop's Environment Officer, and the expectation is that it will give me lots of stories to tell on my return about the importance of serious action to combat this threat to Planet Earth.

I've been asked a good question about all this: why, if I am so worried about global overheating and the impact of overuse of fossil fuels, I think I can justify FLYING to Ethiopia. Well, it's an excellent point. I'll be responsible for the burning of a lot of aviation fuel. The rationale is that the biggest need for the western world right now is to wake up to the seriousness of the situation; and if I can help to spread that message far and wide when I get back, it will be worth the damage done by going. Also, I will of course be 'carbon-offsetting', i.e. planting trees to do at least as much good to the environment as the harm I will be doing by flying.

Ethiopia is an amazing country, which has responded to the changing climate in many positive ways, such as generating enough renewable energy to power the whole country without needing any fossil fuels at all, and even to export it to neighbouring countries. Despite being the most populous country in Africa, with the fastest growing economy, they have set an ambitious target to become carbon neutral within the next five years – way ahead of more developed nations like our own. They have pledged to plant a staggering 4 billion trees this year, and have already set a world record by planting 350 million in one day, granting many workers a day off to take part. On a more local level, there are lots of ingenious schemes - for instance to recycle old tyres to make durable footwear.

We are used to the idea that the rich, developed west can show developing countries a thing or two about technology and in general, "how things are done". I suspect visiting Ethiopia, where climate change is a daily reality, will be quite a humbling experience, as we begin to understand how far we in the west are lagging behind.

Expect to hear much more about this in the coming months!

BARTON MILLS BAPTIST CHURCH

I think I have said this before but to me October is a very insignificant month, however, this year there's a lot of excitement over one thing, and I apologise for mentioning it – **Brexit**. I am sure, like me, you hope it will be **sorted out at the end of October** and we can get back to some normality. To the general public **everything seems to be complicated** and we have to leave it to our politicians to get a good deal which will **benefit our country**.

It's a good job the God we serve and love does not complicate things. We can rest in the truth that **He is in control and He loves us**. **Psalm 23** is one of the most familiar passages in Scripture. David wrote it and the more we read it, the less we need to worry. It begins *“The Lord is my Shepherd I shall not want, He maketh me to lie down in green pastures, He leadeth me beside the still waters”* and ends with *“Surely goodness and mercy shall follow me all the days of my life and I shall dwell in the house of the Lord forever”*. The more we meditate on God's Word, the less we need to worry!

Worrying doesn't change anything but trusting the Lord changes everything about the way we live our lives. We must learn to **turn our confidence toward God** and **cast our cares on Him**, we can then be calm in the midst of life's demands. It is better to **trust in the God who lavishes care on the whole earth** than to spend our lives worrying about Brexit.

**When fear and worry test your faith, And anxious thoughts assail
Remember God is in control and He will never fail.**

Our services remain the same: Bible Study at 7.30p.m. on Thursdays (Call 01638-713892 for Location) and Sunday School and Bible Study on Sundays at 11a.m, or the Worship Services at 3p.m. and 6.30p.m.

BARTON MILLS PARISH COUNCIL

THE PARISH COUNCIL

Barton Mills Parish Council hold public meetings every first Tuesday of the month at the Village Hall. At the meetings the members of the Parish Council, your councillors, discuss matters and agree important decisions as representatives of the residents of Barton Mills. Barton Mills Parish Council as other parish and town councils agree the annual precept, and this is collected from residents via your Council Tax that is paid to West Suffolk District Council.

Annually the Parish Council produce a budget which details how the Parish Council intends to spend the precept in the year. The budget includes items such as new street lights, street light energy and maintenance costs, the upkeep costs of the park and playing field, insurance fees, Remembrance Day Service ceremony, gardening and footpath clearance costs.

The Parish Council can also apply for funding from both the District and County Council to fund specific projects that helps or benefits the local community. Last year the Parish Council received funds from West Suffolk County Council to fund football coaching for children during the school holidays.

The clerk produces annual accounts which details all of the income and expenditure, and compares budget to actual figures. The accounts are audited both internally and externally and are available to view on the website or by contacting the clerk.

The Parish Council also carry out other activities which includes commenting on any planning applications to be considered, liaise with both the District and County Councillors regarding important matters, receive local police reports, move the SID (Speed Indicator Device) along with a volunteer resident and any other matters that arise.

The members of the Parish Council would like to encourage residents to attend the Parish Council meetings, in which you are given an opportunity at the start of the meeting to comment or ask questions on any item on the agenda.

This is an opportunity to see what your Parish Council does and to give your views and opinions on any Parish matters.

The agenda is both published in the notice boards around the village and on our website. If you are unable to attend a meeting, you can alternatively contact the Parish Council via the clerk or by contacting any councillor.

Next Parish Council Meeting

The next Parish Council meetings will be on **Tuesday 1st October and Tuesday 5th November 2019** at 7:30pm in the Village Hall. In the event of an extraordinary meeting being held before the next scheduled meeting, it will be published on the website and on the notice boards. The Public are welcome to attend Parish Council Meetings and will be offered the opportunity to speak at the beginning of the meeting or at the Chairman's discretion. To raise an item at any meeting please contact the Clerk at least 7 days prior to the meeting date.

Sept 19

We welcomed Lizzie Brown to our meeting to demonstrate the art of Wet Felting. We had all brought a bath towel to 'soak up the puddles' but in fact our ladies were all very neat & there was hardly any mopping up necessary. We all had fun attempting to 'draw' a picture, with varying degrees of success, with wool which we then matted with sprinkled water. Some results can be viewed on our website : wibartonmills.weebly.com. This fun & absorbing (!) activity made for a most enjoyable evening.

Our next meeting will be at 7.30 on Tuesday October 8th in Barton Mills Village hall when we will once again be 'Circle Dancing'. Always a fun evening, do come & join us.....and check out our website:

Bell Lane Solstice 2019

The 12th annual 'Bell Lane Solstice Music Festival' was held on Saturday 22nd June, outside the Bell Public House in Barton Mills.

All the previous records were broken....

The biggest crowds

The highest sum raised for charity

Record sales for the Bell & the BBQ

The strongest line up of bands

NO RAIN ALL DAY!!

A superb line up of local bands kept the crowds entertained until the event closed at 11.30pm. The event followed a similar format to previous years where around 20 local business's, led by Balmforth Estate Agents, generously donated the funds to run the event to ensure that there was no entry charge for anyone wishing to attend. During the day there was a BBQ run by Barton Mills football club, a range of stalls and then we had a record level of donations from these attending the event.

This year's event raised over £2,000 for our three good causes which are the East Anglian Air Ambulance, Suffolk Lowland Search & Rescue and Barton Mill Football Club. The set up and the running of the event was as smooth as ever with a team of 30 – 40 helpers including Barry and Angie (The Bell), Tracey and Nigel (Bands), Dougal, Haydn and his crew (Stage and sounds), Clive and Pip (Comperes) together with a dedicated team of villagers who set up and ran the event. Thanks also to all those who attended.

HOPE YOU ALL HAD A GOOD TIME,

SEE YOU NEXT YEAR!

BRAHMS REQUIEM

And The Armed Man

Brahms Ein deutsches Requiem
Karl Jenkins Suite from The Armed Man

Helen Bailey soprano Bury Bach Choir
Andrew Johnston baritone Philip Reed conductor
James Recknell piano
Christopher Moore piano

This evening we perform two contrasting choral works, one an acknowledged masterpiece, the other a contemporary classic. Brahms began work on his sublime German Requiem following the death in 1856 of his close friend and fellow composer, Schumann. A notoriously slow and self-critical worker, Brahms only completed it a decade later, after the death of his mother, when he added in tribute to her a movement featuring a soprano soloist. Following the example of the seventeenth century composer Heinrich Schultze, Brahms chose as the texts for his German Requiem traditional words of comfort for the bereaved from the Lutheran Bible rather than using the Catholic Latin mass. The result is a work that acknowledges personal suffering and grief and attempts to offer consolation. Originally conceived for two soloists, choir and large orchestra, Brahms himself made a transcription of the orchestra's role for piano, four hands. It is this intimate, chamber music-like account of Brahms's great score that we perform this evening.

Commissioned for the millennium and dedicated to the victims of the Kosovo crisis, Karl Jenkins's *The Armed Man* is a powerful and compelling account of the descent into the horrors of war before offering hope for a peaceful future. The work has captured the popular imagination to become one of the most performed and poignant choral works of the moment. We perform the composer's five-movement choral suite, which distils many of the piece's most striking elements.
